● Print ● Electronic ● Web

Established in 1942, the EBC Group of Companies are India's leading law information providers - in print, desktop and on portable devices. It has global partnerships, and branches in several Indian cities.

In its over 80 years of law publishing, EBC has contributed outstanding works of legal literature, and is today recognised as the foremost publishers of accurate, reliable and pathbreaking works. Its hallmark contribution has been 'Supreme Court Cases', India's leading law report started in 1969 and now running into over 530 volumes, that has set new standards in law reporting in India.

EBC follows a creed of uncompromising intellectual rigour, painstaking attention to detail, meticulous referencing and research of original sources to ensure authenticity in every publication that bears the EBC name. Using the finest of technological innovations, EBC today also has a wide range of electronic and web products, including the EBC Webstore, the EBC Reader – the most advanced legal eLibrary, the EBC Learning – online learning platform, the SCC Online range of databases and the EBC Explorer range of online resources for India and other international markets.

The group covers the entire spectrum of legal publishing in India, from Practitioner's Commentaries, Student Texts, Law Entrance guides, Statute Law, Law Reports, Digests and Legal Magazines.

To bring the latest developments in foreign legal jurisdictions, EBC has entered into global partnerships, including with the Incorporated Council of Law Reporting in England and Wales, Singapore Academy of Law, Singapore, as well as Hein Online, U.S.A.

The mark of EBC stands for authenticity, reliability and promptness. Thereby it also fulfils its commitment to the rule of law.

## **Coverage:**

- The new 4th Edition, contains expositions by the Supreme Court of India since 1950 to 2023, on the many words and phrases that came up for judicial determination before it, and contains over 10,300 entries extracted after thorough research of the Supreme Court case law of the last 73 years as reported in SCC™ and SCC Online.
- The Statutory or Non-Statutory context in which the judicial determination arose, has been indicated in this work. Instances like, when the court has defined a word or phrase, or when it directly applies the dictionary meaning, or in cases when the meaning of a word or phrase is made clear only by a process of exclusion, all such instances have been included and discussed extensively in the work.

## **Special Features:**

- Covering all major law reports, it's a complete referencer to words, phrases, concepts, and maxims.
- More than a dictionary; it gives meaning binding on all courts under Art. 141.
- A complete publication with standard citations, useful editorial notes and cross-citations.
- An elegantly produced work with a high-class aesthetic get-up.

## **Review:**

"... very excellent book...every page reveals the pains which have been taken in compiling the law lexicon. It is bound to earn its deserved reputation among the lawyers, judges, and jurists..."

**- Justice S.B. Sawant, Judge, Supreme Court of India**
